PRESIDENTS COMMENT

Welcome to our last newsletter for the year, since our last, we had our prize giving, my congratulations to all our winners.

There has been a hive of activity in preparation for next season for senior & junior rugby and netball. Congratulations to Dean Pike appointed for a second year as senior rugby coach and also to Kyro Courtney-Clarke and Tamati Stevens also appointed for their second year as senior netball coaches.

Our 7s Rugby team are training hard under Bucks and Kellsys watchful eyes and have played one tournament with two more planned.

Beach volleyball seems to be humming along with keenly contested matches each Wednesday night, come along for a look and a chat.

Remember AGM 1st December. Please come along (it doesn't mean you will get a job but your support means a lot) If I don't see you there, Merry Xmas and Happy New Year. It's not long to the kick off for next season

Cheers,

Millsy El Presidente

Overall Most improved Player (Lyn Chilcott Cup)

Melany McCurdy

The reason we choose Mel for most improved player is that she started the season with a positive attitude towards the game and her team. She went to great lengths to improve her own game play by asking others for ideas on her skills and areas that needed improvement. Mel works in the defence circle which has shown great improvement as her drive to get that ball shows in the rebounds she is able to get and also the way she defends her game play. Well done Mel for the season and we wish you all the best for next.
